The Goodwood Park Hotel has been an integral part of the Goodwood community since the mid-1800s. We have been told that as Adelaide settled, guests would stand on the hotel's balcony to see the boats arriving along the coast. A horse and cart would be sent to collect supplies as well as visitors.

Today our hotel is more commonly known as The Goody and is owned and managed by the Rogers family.

We hope you enjoy your Goody visit. We trust you will direct any compliments or concerns regarding your experience to our manager on duty and sincerely hope to see you again soon.
